WELLNESS PROPHYLACTICS

Why is this Unique?

- The original FF formulation that launched the organization in 2012.
- Combines pharmaceutical-grade and natural actives in one delivery system.
- Handcrafted legacy formula now refined for consistency and superior bioavailability.
- Comprehensive action—targets parasites, mold, immune dysregulation, and cellular repair.
- Uses DMSO for enhanced absorption and tissue penetration.

Introducing our premium *FF PMA Suppositories*

A signature FF in-house suppository formulation created to support detoxification, immune balance, and systemic healing. It works through a synergistic blend of B17, Fenbendazole, Ivermectin, Cannabinoids, and DMSO, targeting parasites, inflammation, and cellular dysregulation for deep restoration.

Benefits

1. Cancer & Autoimmune Support
2. Parasite & Mold Detox
3. Inflammation & Pain Relief
4. Homeostasis Restoration
5. Maintenance & Preventive Wellness
